

Lane Amateur Hockey Association's (LAHA) is pleased to have the opportunity to host the Intro To Hockey Program. These classes give children the opportunity to learn the basics of skating and hockey from USA Hockey-trained instructors in a fun-to-learn, relaxed, noncompetitive atmosphere. No skating or hockey experience is required.

Last year LAHA was able to offer this program to 36 players who had limited or no skating experience. This program become very popular and the waiting list for the program grew to 30 players. Our organization is working to obtain more gear sets to outfit addition players, so every child can have the chance to jump on the ice without the initial cost of gear purchase.

Because our program fills very quickly, and our hockey gear sets are limited, we have adopted the following priority registration policy to ensure that returning children have the opportunity to register.

Priority 1 * Players who have been previously or currently enrolled. * Players who have their own gear are welcome to join at any time.

Priority 2 * Siblings of players previously or currently enrolled in the program. * Individuals who have an immediate family members enrolled as an Intro To Hockey player. * Siblings of a Lane Amateur Hockey Associations youth player (Eugene Jr. General).

Priority 3 * Open registration. * Waiting list. Those on the waiting list from last year will remain on the waiting list until space is made available.

If you wish to be placed on the waiting list, or you have your own gear, please contact Stacey at info@eugenehockey.com.
